" WHOSE HUSBAND ARE YOU? "

SYNOPSIS

BROADWAY COMEDY

Eddie Barry and Vera Reynolds have tied the knot and Vera is not very sure of her abilities as a cook and when Eddie has lost his collar stud and comes down to breakfast to partake of his wife's cookery, there is trouble. It happens that they quarrel and are on the outs and it also happens that Eddie's father is coming and Eddie is minus a wife so he siezes the first woman that comes along and she agrees to be his wife for a day, but his temporary wife's hubby doesn't see it that way.

However, when Pa arrives the temporary wife is introduced to him and matters proceed smoothly until Eddie is mistaken for a burglar and chased accordingly. However, the real burglar is actually captured and this is the means of separating the two ill-assorted couples; father coming across at the finish with a big check and Eddie and Vera being established in parental favor.
